**June 23, 2010
Meeting Announcement
Member Appreciation Event**

ASQ Princeton Section Chair, Ann McDonald will host our annual Member Appreciation Meeting as our final event for the 2009-2010 program year. Enjoy an evening of networking, socializing, dinner, and wine tasting with your fellow quality professionals at The Grape Escape. There will be an interactive session with the Master Winemaker and CTO (Chief Tannin Officer) as well as wine tasting directly from the barrel (wines from Chile, Argentina & Napa Valley).

This meeting will provide members the opportunity to meet the volunteers on various committees and to give input on what you would like from your section that you feel would be the most beneficial to you. Take the opportunity to share your skills and knowledge with fellow members and to discuss their views on quality programs as well. Find out how they are selling the value of quality to their company. Discuss roadblocks and share success. You may find some techniques they use that you can apply to overcome resistance at your own company.

As this is the final event for the program year 2009-2010, we urge you to participate and exchange ideas with colleagues from a variety of businesses and industries. If you are looking to expand your network, are in search of best practices, or looking for a new career opportunity, you will want to attend this event!
