

**PRINCETON  
SECTION 0307**

June 2008  
Meeting Announcement

## **Member Recognition & Volunteer Appreciation Dinner "Bowlathon"**

**Hosted by:**

**Eduardo Heidelberg, ASQ Princeton Section Chair, 2007 – 2008**

The Princeton Section had another highly productive and successful year providing high quality services to our members. Most notably, the Section offered a program of monthly dinner meeting seminars and facility tours, a full range of certification refresher courses, local certification exams, support for members seeking recertification, a job posting service for employers seeking quality professionals and members seeking employment, a new member welcome program to assist new members in taking advantage of the Section's programs, and a quarterly newsletter and website to provide members with information on Section activities and quality related topics and events.

We hope to make this an especially fun meeting. Help us recognize the outstanding work of Section volunteers and BOWL US OVER with your Quality prowess as you improve results and decrease variation on the Brunswick Zone lanes. It's sure to be a good time!

**Important announcement:** As part of our ongoing efforts to minimize operating expenses for the section, the Executive Board has decided to try all electronic meeting announcements. Starting with the September 2008 meeting, announcements will be sent by email and posted on the ASQ web page [www.asqprinceton.org](http://www.asqprinceton.org). This change has the added benefit of being environmentally friendlier by producing less waste.

We're looking for volunteers to help on various Committees, such as Education, Membership Recertification, Newsletter and Internet. We are also in need of speakers for our meetings. If you're interested in volunteering or speaking, please forward your name and interest to [eduardo.heidelberg@asqprinceton.org](mailto:eduardo.heidelberg@asqprinceton.org).
