

Something ***NEW*** from the Princeton ASQ Section

If your organization is looking for a great opportunity to communicate its quality initiatives within our community of professionals, we have some news for you! Recently, the Section Executive Board has approved a **Sponsorship Program** that will give you this opportunity at a very low cost. By sponsoring the ASQ general meetings, your organization will be able to reach talented quality professionals that could help in your current and future recruitment programs. The Section has approved the following two sponsorship programs:

1. Platinum Sponsor:

By donating \$1000 to the Princeton ASQ Section, your organization can:

- Send five company representatives (no cost) to network and communicate quality initiatives.
- The Section will provide a table to display and distribute company information.
- There is also an opportunity to present your organization and its services at the meeting (Approximately five [5] minutes during the introduction).
- The Section will feature your company's name in the upcoming Newsletter.
- The sponsor information will remain advertised on the Section's website for the program year (July 1 – June 30).

2. Gold Sponsor:

By donating \$750 to the Princeton ASQ Section, your organization can:

- Send three company representatives (no cost) to network and communicate quality initiatives.
- The Section will provide a table to display and distribute company information.
- The Section will feature your sponsor company's name in upcoming Newsletter.
- The sponsor information will remain advertised on the Section's website for the program year (July 1 – June 30).

We encourage all organizations to take full advantage of this **Sponsorship Program** to promote their quality activities, while helping to support the Princeton ASQ Section.

To sponsor future ASQ General meetings, please call or e-mail Jitu Balar at (908) 429 3581 (e-mail: jitu.balar@clariant.com) or e-mail Lamia Metwally at princetonasq@yahoo.com.
